### Source Points

- In Yin channels, same as Shu Stream (Earth); good for treatment of Yin organs
  - Earth  $\Rightarrow$  St/SP  $\Rightarrow$  Postnatal Qi - a link between Postnatal Qi and Prenatal (Source)
- In Yang channels, the point proximal to Shu Stream (usually 4<sup>th</sup>)
  - Yuan source makes fire in Yang channels
  - Special relationship w/San Jiao (circulates Source Qi)
  - Often used to release exterior pathogen
